ABOUT

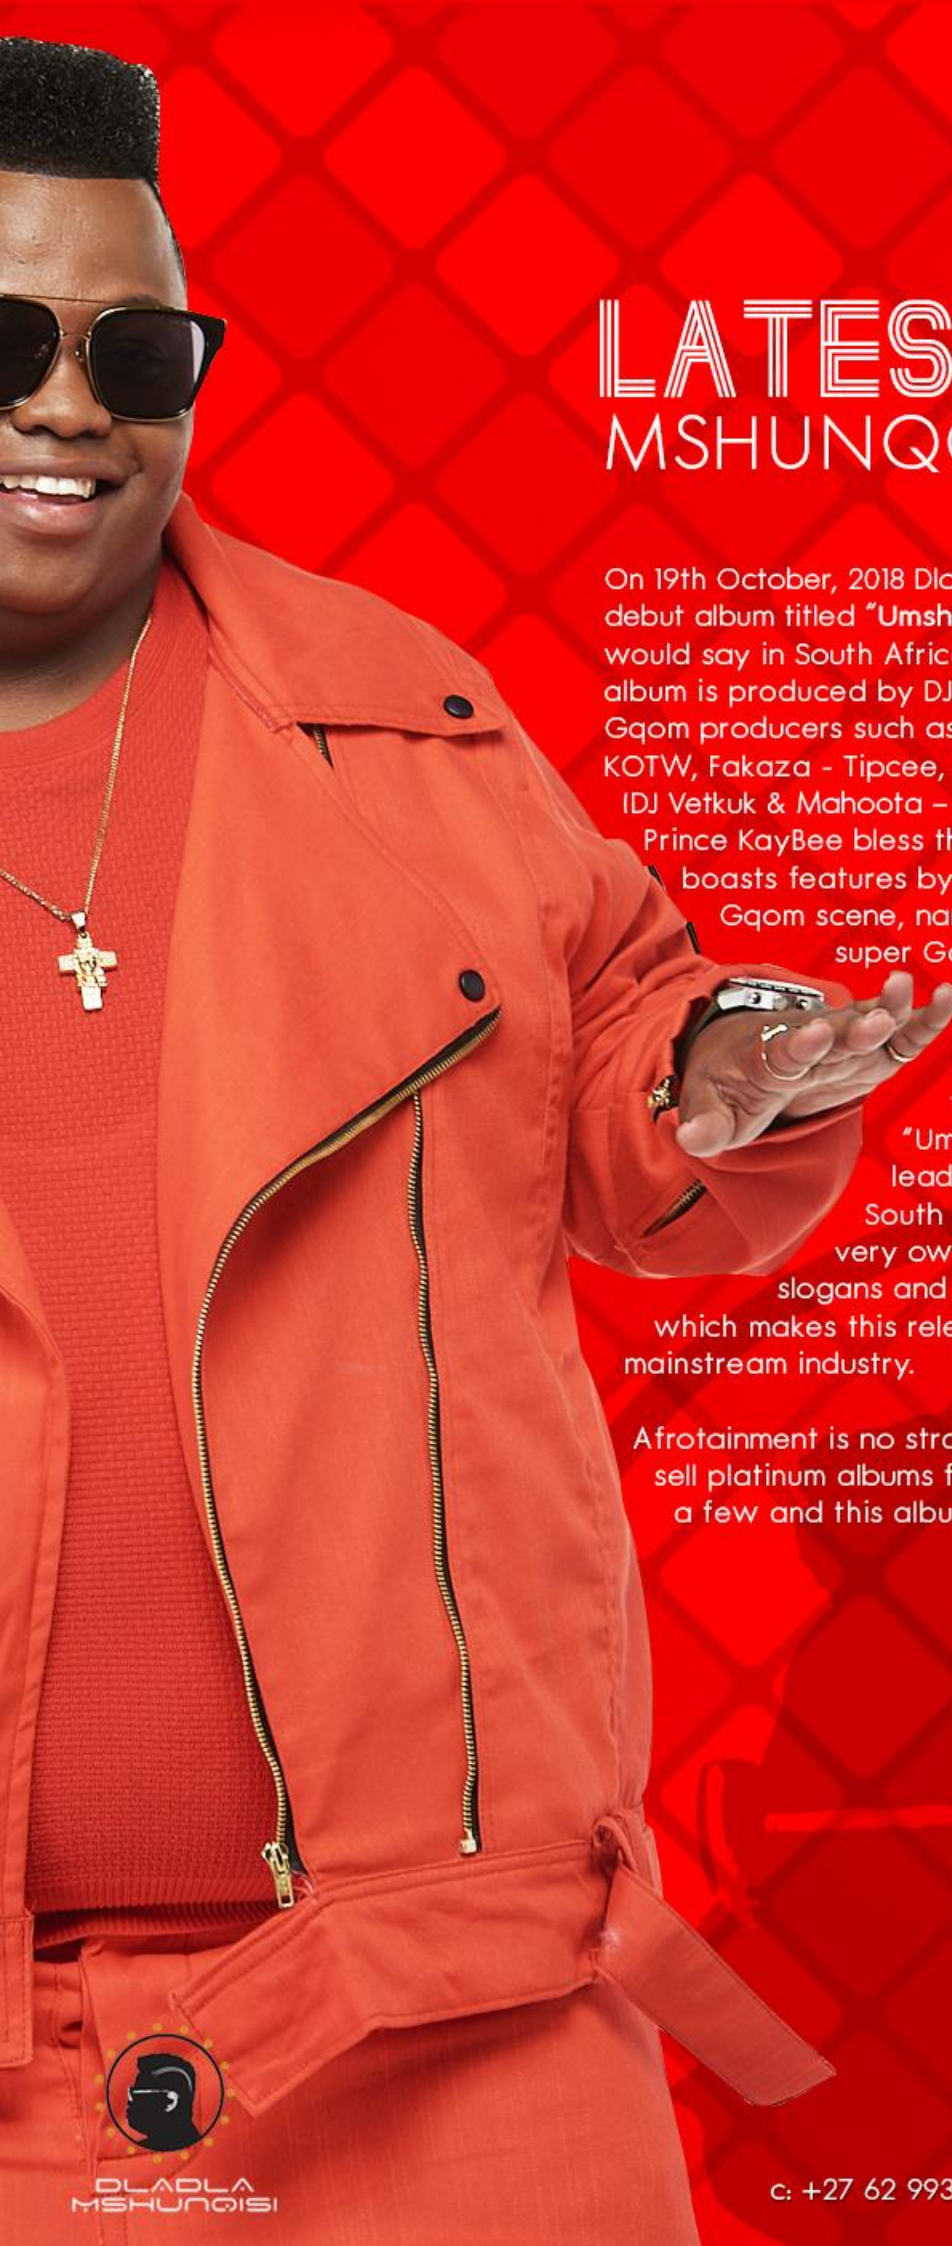

Anele Dladla also known as Dladla Mshunqisi was born on the 30th of November 1990 in the Durban Township called KwaMashu. Most people started seeing Mshunqisi on the video that went viral on social media when he performed a song called "Inavara". Dladla Mshunqisi was introduced to the A Music Dance scene through his collaboration with Benny Maverick with the smash hit Memeza produced by Spirit Banger in 2017. The song dominated radio charts across South Africa, reaching number 1 on a number of radio stations.

He was featured by Distruction Boyz on another smash hit Omunye. The song dominated iTunes, Deezer, Google Play charts for the entire festive season of 2017. Omunye was also chosen as the Song of the year by the two biggest radio stations in SA, Ukhozi FM and Metro FM. Omunye continues to dominate the charts and its now spreading to the rest of Africa and USA.

Pakisha is Dladla Mshunqisi first official single after a few collaborations. Pakisha went straight to the number 1 spot hours after its release. This shows that this is definitely Dladla Mshunqisi year. Dladla dropped his first smash hit album titled Mshunqo on 19th October 2018. Dladla Mshunqisi has headlined events like Fact Durban Rocks NYE 2017, Good Sundae Finale and have travelled in most Southern African countries including Namibia, Zimbabwe and Botswana.

Earlier-on this year Dladla along side with Durban's Finest Lady Dj Cndo were flying South Africa flag in number of UK cities, from Birmingham; London and Manchester.

LATEST ALBUM MSHUNQO

On 19th October, 2018 Dladla Mshunqiso released self-explanatory debut album titled "Umshunqo", which means, "Fun, Lit" as many would say in South African pop culture terminology. The 13-track album is produced by DJ Tira, assisted by current, trending Gqom producers such as DJ Joejo whom produced (Bhampa - KOTW, Fakaza - Tipcee, Malume - DJ Tira), Cruel Boyz (DJ Vetkuk & Mahoota - Ziwa Murtu), Distruction Boyz and Prince KayBee bless the album with production expertise and boasts features by some of the best vocalists in the Gqom scene, namely Busiswa, Professor, Tipcee and super Gqom Rapper Beast.

Tracks to look out for are "Thutha", "Izibalo" and "Amalukuluku", which features Professor on vocals.

"Umshunqo" is a modern day dance album, leading the evolution of sound over unique South African drums which compliment our very own dance culture as he chants relatable slogans and gimmicks the masses resonate with which makes this release a moment in the South African mainstream industry.

Afrotainment is no stranger to producing artist who go on to sell platinum albums from DJ Cndo and Big Nuz to name but a few and this album is continuation of where they left off.
